

## CARAVAN, POP TOP, CAMPER TRAILER & MOTORHOME COVERS

### Keep Your Caravan, Pop Top & Camper Trailer Looking Like New

#### SUNLAND PRESTIGE COVER

The Prestige Caravan Cover has been designed and manufactured to protect your valuable investment from Australia's harsh climatic conditions.

The cover features a triple layer of 100% breathable waterproof material covering the entire roof area offering maximum defense from the elements with added UV protection. Water resistant polypropylene sides insure maximum breath ability so moisture can escape helping to eliminate mould and mildew. Lightweight and easy to fit, other great features include an elasticised hem with reinforced base, front and rear nylon securing straps, reinforced corners and double stitched seams for maximum durability. Fully zippered side panel doubles as a handy sun awning.
